JOB VACANCY: TRAILER DRIVERS

Our client, a leading company in the Transport and Logistics industry, is looking to hire experienced Trailer Drivers to join their growing team. The successful candidates will be responsible for operating trailers for the safe, efficient, and timely delivery of goods across various destinations.

We are seeking disciplined professionals with a proven track record in long-haul and heavy-duty vehicle operations, who are committed to safety, reliability, and excellent customer service.

KEY RESPONSIBILITIES:

- Safely operate trailers and heavy commercial trucks for the transportation of goods.
- Deliver cargo to designated destinations in a timely and professional manner.
- Carry out thorough pre-trip and post-trip vehicle inspections.
- Secure, load, and unload goods safely to prevent damage or loss.
- Keep accurate records of deliveries, mileage, fuel consumption, and incidents.
- Strictly adhere to traffic rules, road safety standards, and company policies.
- Report promptly any vehicle defects, breakdowns, or maintenance needs.
- Follow assigned delivery routes and schedules with minimal deviation.
- Maintain professionalism and courtesy when dealing with clients and stakeholders.
- Perform additional transport duties as directed by management.

MINIMUM REQUIREMENTS:

- Valid Driver's License (Class CE or CD)
- Minimum of 3 years' hands-on experience in a similar role
- Clean driving record with no major violations
- Good knowledge of local and regional road networks
- Ability to interpret maps, GPS systems, and delivery instructions
- Physically fit and capable of handling demanding tasks
- Strong communication and time management skills
- Proven experience and reliability in heavy vehicle operations
- Must successfully pass background checks and drug/alcohol screening
- Excellent interpersonal and customer service skills

HOW TO APPLY

Interested and qualified candidates should send their scanned CV's and certificates to us through: recruit@consolidatedhrsolutions.co.ke

Indicating the subject as: TRAILER DRIVER APPLICATION
